Measures to protect complainants/informers and confidentiality

1. Consideration of complaints Set the level of secrecy and protect those involved according to regulations. Concerning the maintenance of official secrets, B.E. 2001, and sending matters to be delayed for consideration. Information providers and complainants may suffer, for example, complaints against government officials are initially considered government secrets. Consider only the cases with specified evidence. The surrounding circumstances are clearly evident. as well as pointing out certain personal witnesses only Whistleblowing of influential persons must be anonymous and Petitioner's address If the complainant's name and address are not concealed Must notify relevant agencies and provide protection to the complainant. The commander shall use discretion and order as appropriate to protect the complainant, witnesses, and persons providing information in the investigation. Do not suffer harm or injustice that may result from complaints. Testifying or giving information In the case of specifying the name of the accuser, both the complaining party must be protected. and the respondent Because the matter has not yet gone through the fact-checking process. And it may be bullying and accusations that will cause suffering and damage. In the case where the complainant specifies in the request to conceal or do not wish to reveal the names of the complainants The agency must not disclose the names to the complainant agency because the complainant may suffer as a result of the complaint.

2. When making a complaint The complainant and witnesses will not be subject to any action. that affects work or livelihood. If any action is necessary Must receive consent from the petitioner and witnesses.

3. Complaints from victims, complainants, or witnesses, such as requests to move workplaces. Methods for prevention or solve problems Should be considered by responsible persons or agencies as appropriate.

4. Provide protection to the complainant from being bullied.
